SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF SUPERINTENDENT

The 2009-2010 school year has been very successful for GCSD despite large budget cuts and a poor economic forecast. We are very proud of the progress we made this year. This progress is the result of hard work and extra efforts made by our students, parents, teachers, and our community working together to provide the best possible education for all our students.

We are proud to report that 11 of 18 of our schools made Adequate Yearly Progress, with Carvers Bay and Waccamaw middle schools making AYP for the first time ever. Four of our schools achieved Palmetto Gold or Silver awards for absolute ratings on S.C. Report Cards, and four of our schools received Palmetto Gold or Silver awards for "Closing the Achievement Gap." Also, McDonald Elementary became a Palmetto's Finest finalist for the third consecutive year.

I am also very proud of our athletic accomplishments, with many of our teams winning conference championships. Some teams advanced all the way to the state finals, and some earned the title of "State Champions." The best part of these athletic accomplishments is the number of scholarships that our students signed to excellent schools such as Furman, University of South Carolina, Central Florida and others. These athletic scholarships are few compared to the large number of academic scholarships that are now being earned by our students both in the state and out. The best part is that our students will go on to graduate and become responsible, productive citizens, many of them right here in Georgetown County.

GCSD continues to work on several long-range plans, including improving our facilities and upgrading our technology used for instruction. We know it is vital to have quality, inviting, and aesthetically appealing schools for learning to take place. You will see a number of our schools receiving modifications and updates. This year, you will see more laptops, notebooks, and white boards in our classrooms. You will also continue to see improved security measures in an attempt to make our schools the safest place they can be in today's world.

Thank you for all you do to support our schools and students. We continue to value our business partnerships and the support received from the community. We look forward to next year and more success stories for GCSD. Please stop by and visit our schools and see the good things that are happening.
